I praise God so much for healing me from a strange disease that attacked me.

I was in a new community and the Word was preached to forty persons but only fifteen were called by the Lord.

These fifteen converts have been baptized and added to the Church.

They are always in Bible studies and prayer meetings and five of them have joined the soul winning team.

I am asking you people to pray for me because this community is new and that the Lord will take control of my situation.
