3. How many people trusted Christ through your ministry? 16

Letter to sponsor. Please include any personal or ministry praises, any special prayer requests, as well as any advances in your ministry.

I want to praise the Lord for your life and help, you have been a blessing for me and my family. I also want to praise the Lord for the opportunity to serve Him here in Cape Verde and experience the wonders that have happened in this country because His Gospel.

We are ministering to about 200 military members. We have an established schedule every Thursday in "3ª Região Militar" and Wednesday in "Jaime Mota" headquarters. (I have attached some pictures.)

Ministering in the Army has been a blessing because we live in a traditionally Catholic country, but God has opened doors for His Gospel to get in this place and to comfort these military men and women. Many of them have converted.

We also have a ministry in "Bairro" where many people have listened and converted to Christ. We have made a change in our regular schedule to include activities on Sunday evenings. People like Daniel, Lina, Lenira Adilson, Emanuel and many children have all converted and are coming to these activities on Sunday evenings. Please continue to pray that the Lord's will be done in this area. Please pray specifically for the Trindade ministry, along with the school there, the new Christians, and the brothers in Christ who are helping in this ministry (Antonio Andrade, Jared Gfeller). This weekend they will have a special service.

This month I was blessed when 15 members of the military made a profession for Christ. They have not come to church yet, but they have been assisting all services at the headquarters.

The Lord has also opened the door to minister in "Alto Safende". Pray for this please.

Please pray also for my family, especially my wife. Please pray for the conversion of my mother, and her trip to Luxembourg. Also for our church here and the church members .

God bless all of you.
