I want to praise the Lord for everything. I also wanted to thank you for your help, and to ask you to continue praying for us here in Cape Verde.

The ministry has been doing well, thanks to God. People have been converted and if it is the Lord's will, Edmilson, Ivanildo, and Daniel will all be baptized this month.

This month we have had 6 soldiers of our Armed Forces come. We pray by this ministry in the armed forces, that God changes the life of these people.

As for the ministry in the Trindade, it has also been a blessing to see the young people have had Bible studies during their school vacation. Brothers Jared, Fabio and Joaquim have helped a lot with these studies. We want to do the usual Biblical School of Holidays during the month of August. Dona Eusebia, Marcelo, Patricia, Karliny, Dayara, Anilda, and their family havemade their home available to do this work.

Keep praying for the ministry in the "Bairro". We have done services in the local place. People have been watching over others that are bothering, but God has been blessed and the Word has been preached every Sunday in that place. Next week, we want to do something different with the children of that place, so pray that God will give us wisdom in what we have to do. Also, pray that people who are converted in the "Bairro" will be able to give their testimony by baptism.

Please continue to pray for the church here, knowing that the Pastor is physically absent and that here we continue to do what the Lord Jesus left to do. Pray that all may have a commitment to Jesus and that he will give us wisdom in everything to guide us with His Spirit in the work of the Lord.

Pray for my family and for the people who persecute us because of the Lord's work. Pray that we will always put the will of God in the first place.

Pray also for Jaco and Fredy that they were born again last week so they can stay firm in the decision they made with Christ.

I thank you immensely for your collaboration, God bless you.
