Brothers, we thank God and you for the support you have sent us. My wish is that the Lord is blessing your ministries. Always grateful for the offering you are sending us, thank you very much. We have already finished evangelizing the Villas de Petapa neighborhood, which is about two kilometers from the church. We were distributing tracts and books of Saint John and Romans. The plan of salvation was given to 10 people but there were none saved. Also in the church missionary Sunday that we have had since last year. During the year for three Sundays, we focus on missionaries. This activity has the purpose of reinforcing the promise of faith for the support of the two missionaries that we are currently supporting. We also hope that more people will get involved in evangelism every Saturday. I sent pictures of evangelism and missionary Sunday. I ask for your prayers for the work. I also sent photos of the congregation.
