First of all, we want to send you a big thank you from the church and from my family. Thank you for your prayers and for the support you have given us faithfully each month. I ask for your prayers because we are struggling to build the classroom for the young people. It is almost impossible to get cement. You can not find it and when you are alone, you are allowed to buy 5 bags of cement. Please pray that God allows us to continue building the classroom for the young people. We are giving breakfast to all the children and the elderly and the needy who come to church. There are many very thin children who sometimes do not eat for a day or two. The conference we had last month "Improving the family environment" is producing beautiful fruits in our families. We see homes solving many problems. Thank God. God bless you and keep you!
