God bless, we send greetings to all of you and we thank you for the support you have given us so that the work of God will continue to advance. We have been winning souls in these sectors and in Biblical studies. People are saved, but it has been difficult to get them to come to church. Please pray for that. We have a meeting with men to pray for the homes and families of the church. Last week we did some repairs to the roof because it was getting wet when it rained. We also performed with the Lord's help a children's camp and it was a blessing. Many children made decisions for the Lord. This week we will have the Vacation Bible School to Evangelize Children of the community. Please pray for this activity and for Venezuela so that our country can move forward. There was a man of 25 years in our sector, who was a thief, and drug addict. The whole town was very afraid of him. Thank God for the visitation, house by house. One day we presented the love of Christ to him and he was very interested to come to church. He received Christ, converted from the heart and followed me everywhere. He wanted to learn more of that God who had forgiven and transformed him. I began to disciple him and he grew up in the Lord. He began to bring his friends to the church. Today, he is a tremendous winner of souls, faithful to God and the church, helps me in the construction of the church, comes to visit and to disciple with me. Now he is loved by the whole church and his community. God is still working miracles today. Please do not abandon us, we need your help and much prayer for our country.
