God bless you my beloved brethren, this month of February was a great month. It was the month of the family, and we visited many new families who came to our church for services on Sundays. The church is learning to welcome and treat the new ones who visit us very well, and they feel joyful. It was beautiful during the invitation to see some people come to receive Christ. Six people were saved. We set a day to baptize these new believers, and we went to a sector called Tocuyo river and there baptized 4 new believers. First we had a message, then the baptism service and in the end it was declared a day of walking for the families. We had games, fellowship and we made a soup for everyone. We enjoyed the Christian fellowship. We also shared a soul winning workshop for a week and from there we returned to our city. Construction is progressing little by little as God provides the funds. We are struggling to build the class for young people, and we are moving forward with the foundation. We now need to raise the walls and columns. We need your prayers so that God will continue helping us to advance the work of God in our city and in other neighboring cities.
