We give thanks to God that even with the situation in our country, the Church continues to grow. My wife will be the director of the Ladies Camp this year, and she is busy preparing everything for the Camp. We plan to have more than 150 married ladies participate from seven churches. We ask that you pray for God to do wonders during the next week.

This month the Church is visiting a new area called San Jacinto. We were able to present the gospel to 35 people, who were willing to listen. Five people received Christ.

We thank God this month for what we have been able to do with our construction. With materials being so hard to come by in our current government situation, we are still blessed. A member of our church was helping bring people to church in his car, but it needed some repairs and we couldn't obtain them so the car stopped working. We are praying for God provide us with the tools and materials for that car. It was a huge blessing for our Church. We also ask for prayer for the Video Projector. The light bulb burned out, and we don't have the spare parts to fix it. Thanks for being faithful with your support each month.
