Dear brothers and friends, You do not know how much your financial aid and prayers are blessings in the most difficult times that our country is going through. We have been visiting the sectors of Calicanto, around our church, but we have not been able to visit the blue slab sectors, nor the Rosario, nor the Rio Tocuyo, because all the roads are obstructed. Many bullets are firing, there are many dead and many wounded. Even so we have been able to visit several houses; people are scared so they do not receive us easily, but we keep walking and trying to reach souls for Christ. We continue to disciple new believers that we can come to their homes, and we comfort their hearts. We encourage them to remain faithful, but many are filled with fear, because of the situation of scarcity and danger. Many, many remain and we have to reach them with the message. Please pray, pray, pray, we need your prayers very much. We continue to have the services. I know God will improve the situation. You are very special to us.
