Good morning dear Brothers in Christ, it is a privilege for me to work for the Lord in His work, knowing that we are not alone in this arduous task. I am very grateful for the support you give us every month as it allows us to dedicate ourselves and give more to the work that they have entrusted to us. I share with you some things that the Lord is doing in Guatemala. The month of February was a tremendous blessing, because our services were focused to receive our friends; and every Sunday we had guests in our church. Some of them received Christ. Our ministry of compassion also did its part as they went out again to visit the emergencies of the national hospitals, the San de Dios, and the Roosevelt hospital. On this occasion, they distributed almost 450 packages, which consists of a chicken or bean bread, accompanied by coffee. We also organized a lunch for young people and it was a blessing because we had some guests who could hear the message. Our ministry of evangelism continues to work. This year our goal is to evangelize at least five thousand homes. We ask your prayers for a route that we have started to bring the new converts. We have bought a micro bus that can accommodate 10 people and currently 14 are coming between children and adults. This transport is handled by my son Abner. Brothers in Christ thank you very much.
