Dear brothers and sisters, it is a pleasure and a great blessing to greet you, and to thank you for the unconditional support you send us every month. In the month of June of the six who received Christ two began to attend our church, and are already being instructed in discipleship. We beg your prayers for the youth group of our church. They are working hard with the evangelism and they also intend to help the other young people. We need a lot of your prayers, because our church is going through some crises, especially in health. Jaime is a faithful brother of the church but he suffered for the third time a heart attack and has been hospitalized. Our sister, Lidia, she has a syndrome that is called Jilian Barre. This disease paralyzes the nervous system. We pray for Sister Clarita because she is losing her sight and it is difficult to attend the church. Lastly we asked a lot of prayer for my wife's mother because they diagnosed her with a terminal cancer. The medical specialists gave her only two months of life. My wife and family are very affected and of course that causes concern although we know that she is a faithful servant of the Lord. Thanks for your support in times like these.
