It is a pleasure to greet you and to hear from you; hoping that the Lord is prospering you in all your activities. My family and I are very grateful for all the support you have given us. You can never imagine how it encourages us to work with more enthusiasm and much joy in the work when we receive news from you. We covet your prayers for the Christian work in Guatemala. Our church has been extremely blessed because it allows us to have more time to evangelize, to visit and, of course, to study the word of God. The month of November we were quite busy! We traveled with a group of young people to Retalhuleu and participated in The Evangelism Fire Conferences and it was a tremendous blessing. We also celebrated our fourteenth anniversary and it was very encouraging to see the brothers working to bring guests. I ask your prayers for: The group of soul winners who attend Saturday to go to the visitation. For the ministry of sharing that takes place once a month in hospitals. (Next year we are thinking of visiting orphanages and nursing homes.) for the good spirit that is breathed in the church especially in the group of young people, so that they do not decay. for my family. I beg your prayers if possible to get a computer because the one we had was ruined and was for the use of the church, personal work too. Beloved brothers, thank you very much for everything.
