Beloved brothers, we want to thank the Lord for the help you have been able to send us. You have been an instrument that God has used to fulfill the Great Commission here in Cuba. There are lost souls that need the gospel and we are called to share it with them. In Jaruco, we are currently working with six different churches and also planting churches outside of the town. So far we have four small groups meeting in those parts.

This month, we were able to go out to three different locations on Saturday the 28th. In San Francisco, 39 of us went out and talked to everyone in the town. 70 people wanted us to continue visiting them, and 35 received Christ as their Savior. In La Julia six missionaries went out and spoke to 50 people. From those 50, 5 received Christ. In Vegas two missionaries went out and shared the gospel there. We are still operating the Missionary training center with 22 students which are training to go out in Jaruco to start 50 churches in 10 years.

Please pray for us so that God can continue to lead us in the right direction. Pray that God fulfills all our needs for the ministry. My mother is having surgery June 4, so please keep her in your prayers. Our Vacation Bible School is coming up the 23rd of June if you could pray for that as well. Thank you for your prayers and support.

Your brother in Christ,  
Jesus
