In December, our church has planned a week of revival meetings. Please be in prayer with us for God's wisdom and guidance for this program. Our hearts desire is to lift up the cross of Jesus Christ through this revival program.

I have lately been encouraged by new converts like Charles and Comfort and how fast they're growing strongly in the Lord. Charles moved from another town to ours and has been coming faithfully with his wife ever since we met and told them the good news of our Lord Jesus Christ. He even wants to help the church with our youth. Comfort is a lady we met during soul winning who got saved after we presented the Gospel to her. She became so burdened for her husband to also hear the truth and join her in the church. Thanks be to God; her prayer has been answered, and her husband has now joined her in church.

Ebenezer Dodoo, a young man who started coming faithfully to our church at the neighboring town is now helping us manage that church and has seen the need to come to the Bible College for training. I'm so excited that he plans on starting the Bible College in January next year. Praise God!

Bro. Carr, a faithful member, and a Sunday School teacher has agreed to sell us his poultry farm, where we have been holding our Sunday services since 2015. This poultry farm sits on a land of 2 plots of which Bro. Carr is willing to sell to us for an amount of fourteen thousand Ghana cedis. It's our prayer that we'll be able to purchase this property for the church.

We're already working on an add-on to this property for which we plan to use as an information center (This is like a local radio station). We believe this media center will be of great help for us to send the Gospel to our community.
