Dear friends,

Greetings to you in the name of our Savior, the Lord Jesus Christ. I would like to begin by thanking you all for praying to me for God's healing . The medicine I have been taking responded well and I am now feeling better.

On the 28th of February I was invited by three pastors to go and visit with them in some of the refugees settlements far away from my settlement. I spent one week preaching and reaching out for evangelism. Though the number of people who responded to salvation was low, many heard the gospel. Many there are still with symptoms of trauma due to the war that displaced them from their own country. Another thing that also affected them last year was the amount of rain that flooded in the area where they were put. They had been relocated once again. I was able to mediate with them in the passages of Joshua 1:5-10 and Titus 2:13-14. I was also able to meet with many children who are now orphans as a result of the war. Pray for them and the people there in general. They need to be comforted through God's word. Pray for us as we are planning to return with a team by May 2018.

Thank you so much for your financial and prayer support. May the Lord bless you all. Love you.
