Hello brothers in Christ, we are always grateful to God for each of you for your immense love and heart for the missionary work here in the country of Chile. We remain faithful here to the call of God and fulfilling His purpose to the worldwide evangelization of which you are active participants. Through your constant prayers and your faithfulness to financial support every month, as we know He does not forget the labor of love you have shown so far. I encourage you never to stop. This month we had visits of US brothers, churches that support American missionaries in this part of the world. It was a great blessing to meet them. We distributed about two thousand invitations that consisted of tracts, the books of John and Romans. Then we participated in a rich lunch and fellowship. As a church we participated in a medical campaign, supporting the spiritual area as well. It was blessing, witnessing to people and many of them accepted Jesus as their personal Savior. This event was held in the commune of Pudahuel. Please pray for those decisions and that we can soon see them in some Baptist church congregation. Dear brothers and sisters with all my heart, thank you very much and may the Lord bless you richly. Missionaries to Chile
