Dear and loved Brothers, we thank God for His active participation in Chile. A privilege to know that we count on you. May the Lord bless you in abundance. We continue to work very hard here, and the Lord always rewards the effort made for Him and answers each prayer according to His precious will. Glory and honor to His Name! We are taking the gospel to every individual in the place that God has determined that we work and thank God we have obtained positive results. Guests have come. Pray for Nicolette and Nelson please. We are preparing to start groups in homes. We call them Connected with Christ and His local Church. We are preparing 2 young people, Juan Carlos and Celso. They have a lot of desire and encouragement to see how God is going to use them. We are also posting invitations at each bus stop. That's where people can read our pages of the activities we do, and we have calls from people with much need to pray for them. In one way or another, God has allowed His work to continue advancing and growing once again to Him be all the glory and honor. Special requests: For my family that we can raise our economic fund, by our own place, for more leader's families and children. Dear ones, the Lord will only give you infinite thanks and encourage you to continue to be faithful in Chile missions and the world. Your contributions bear much fruit.
