Good morning beloved brethren in the Lord. I am grateful for the unconditional support towards us and Chile. May God reward you. We continue to do the work of sharing the Gospel. We are very thankful for what the Lord is doing here little by little. We are currently readjusting the area of fellowship at our church. We are trying something new where the people are able to communicate and connect with one another better. Our hope is that through this program they will learn to support each other.

In our house churches, we are having a lot of success. In the home of Brother Hugo and Rut, we have had a few new people who were able to hear the Gospel. We ask for your prayers please. We are asking the church members to open their homes to friends and neighbors so that they can hear the Gospel. This month we have a young teen named Jesus who has the desire to grow spiritually. Also the family Smitie, who have been helping us, have started a new work. We are grateful for their service and their lives. They have been a huge blessing to the people here in Chile.

Please pray for the following: Our missionary funds, our church family, and a new location for our church. May God bless you greatly. We love you in Christ, and thank you.

-Your servants in Christ,  
Dorita, Abigail, and Juan Carlos,
