Hello brothers in Christ, we give thanks to God for each one of you, for your immense love and heart for the missionary work here in the country of Chile. We remain faithful here to the call of God and fulfilling his purpose, to the worldwide evangelization of which you are active participants, through your constant prayers and your fidelity to financial support every month, which the Lord will reward you here and in eternity. Because as we know he does not forget the work of love they have shown so far, I encourage you never to give up. This month we had visitors of US brothers, churches that support American missionaries in this part of the world. It was a great blessing to meet them. We shared with them about two thousand invitations, which consisted of tracts, new testaments, and books of John and Romans, and then we partook of a lunch. As a church we participated in a medical campaign, supporting in the spiritual area. It really was a lot of blessing, witnessing to people and many of them accepted Jesus as their personal Savior. This event was held in the commune of Pudahuel. I hope we can soon see them in some Baptist church congregating. Dear brothers and sisters with all my heart, thank you very much and may the Lord bless you richly. August 10 Projects: • Planting churches. • Preparation of leaders. • Create solid churches that fulfill the great commandment and the great commission.
