Greetings. I want to thank you for your constant prayers and financial contributions to international missions in Chile. They are very helpful, because they make the work of God not stop. We share with them how God blesses his people every day. We have seen His work grow through people listening to His Word and at the same time making decisions to serve Him more. We have opened a class for young people, led by a young man from Igkesia who has taken up the challenge of teaching and growing the number. Please pray for Brother Juan Carlos. We have also had the opportunity to distribute tracts and share the Word of God in a sector that we want to evangelize (it is called the Embrace). Urgent needs: Lifting our funds, a place of our own, for leaders and spiritual growth. Dear brothers and sisters in Christ, we encourage you not to faint in this area of supporting missions. Your contributions are valuable here and in eternity. Thank you so much
