It is necessary for me to do the works of the One who sent me, while the day lasts; the night is coming, when nobody can work. While I am in the world of light, I am of the world. John 9: 4-5
Cordial greetings, we thank God for His love and benevolence, His care and His provision that He has over us through you. Your prayers and your faithful financial contributions (each month) are and will be important to be able to continue here in the mission field. Thank you for sustaining the rope tirelessly. We are advancing more and more in achieving the goals set for this year: to improve our services, the messages, the activities of each month, where the brothers commit themselves to participate. It is a blessing to see how God moves His people forward. We see how God adds to His house people with the desire to serve Him and they join the group. Thanks for Mauricio, Wilma, Judith, Juan Carlos with a heart willing to be able to please Him. Sister Angela Catalina made the decision to be baptized and she wants to get involved and support in every area of the Church. That is very good. We had the meeting to celebrate national holidays and it is a blessing to be together. We are very happy brothers. We encourage you to continue participating with us in Misiones Internacional Chile. Thank you very much. Some of our needs: • Increase our financial support. • For a place of our own. • Physical and spiritual growth of the church. • More leaders. See you soon brothers. Blessings of Jesus. Your servers Dora, Baltazar, Andrea, Juan Carlos.
