I greet you in the name of Jesus Christ who has all power. It is a privilege for me and a grace also to preach the Word of God to those who have not received It. I would like to thank you for your support for our family. This has truly helped my family and also allowed me to have more access to preach God's Word. Thank you so much.

We have been praying for the land in front of our church, and God provided the money to buy that piece of property. Thank you so much for your prayers and contribution. I pray that God will continue to pour His grace upon you and your family.

For this month, I was not able to preach the Gospel a lot because my wife was sick. I had to be with her to support her. There was a person who accepted Christ as her personal Saviour. Please pray for our church. We would like to finish the floor because when the wind blows it makes a lot of dust. There are three families that we are praying for them because they are being tormented. Please pray that they can grow in God's Word. Please pray that God will give me more wisdom and strength and that He will continue to use me. May He give me more humility in His work.

Thank you. God bless you.
