We thank God for this privilege that He has given us to be able to participate in this blessing that came from God. In Christ blessing, peace and joy may cover you! We thank God for the strength He has given us to preach. This month, we were able to talk and visit some people. There were some that joined the church, hence we are growing. Day after day, more people are adding to the church. Please pray for some of our church members that are sick: fever, ulcer, cough, and running nose. Please pray for them that they will be healed.

Thank you for your help. It is very good for the family. Please also pray for my wife. This month we have revival, because we are going to have our church anniversary. I thank you so much. I will continue to pray that God will protect you from harm and bless you with His grace and peace.
