Thank you for your prayer and support. We thank God for His continuous intervention in our town. As we begin to see increase in commercial activities and people moving about freely without fear, we have moved our evening services from 4pm to 5pm. We thank God. We are still praying for restoration. We are also thanking God for the provisions for work to continue in our new church building . Presently, we are in our quarterly School Blitz. This is a program of our school outreach ministry where we take the Gospel to schools. We will report on that in march. We continually covet your prayers and thank you for prayers and support. God will continually bless you all.
