At long last, I have been able to win a family of five members to the church—Mr. Mensah, and the wife, and the three children. I have been working on them for the past month. Every week I go to their house during soul winning, and they make a new promise to come to church. This past Sunday, 30 August, they came with their 3-month old baby girl in order to dedicate her to the Lord. Every Wednesday I go to Promso Government Hospital to preach. Just yesterday, 26 August, I went to the male ward; I was praying and preaching to them as they lay on their sick bed. I was very happy because by the time I was leaving the ward, two Muslims who were on their sick bed trusted Christ as their Saviour. Glory be to God! One of my church members who is growing in the Lord is Gideon Awuah. He has now become interested in soul winning, so every week I go with him. Last week, on Saturday, 22 August, when I went him, I said, 'Now, you are going to do the soul winning whiles I watch you.' I am very happy that he was able to win a boy of 17 years to Christ. Pray for my family and I to have good health. Pray for more workers and committed people to work with.
