Through this letter we wish to express our immense gratitude for your monetary support. Thank you members of C.O.R.E. Missions, you are a pillar of support to our families, a catalyst in the furtherance of the kingdom of God in Cuba and around the world. My family thanks you with all their hearts.

We are so excited to share the many works the Lord has allowed us to do this month. We visited the mother of one of our church members in the hospital; she was suffering from a foot ulcer that had been infected. Fervent prayers were made on her behalf, and we begged the Lord to show His good hand of healing upon Bro. Royero's mother. The Lord answered our prayers as the Holy Spirit convicted her heart, and she received Jesus Christ as her Lord and Savior. To our great joy and surprise, the Lord healed her foot and she was released from the hospital the next week. God is still Almighty. Amen.

After leaving her room in the hospital, many of the other patients asked us to share the Words of Life with them. Many of these were cancer patients, and amputees. The blessing was great, for in the middle of so much pain, Jesus entered into the hearts of more than 10 patients, in their eyes there was a notable hope for a future enjoying an eternity with God. God is good all the time, and His hand is mighty. Amen.
