By the grace of the Lord I have had the privilege of personally preaching to a large number of people this month. More than 42 people heard the gospel message this month. Three youth, two adults and one child were saved. No one was baptized. (I pray for this, other religions have influenced us a lot and we need to help them understand the difference.) We started the Bible Study in the Island Sector. There we gathered 5 new believers and guests. We have youth evangelistic meetings on Saturdays. We are buying materials for the construction of 2 classrooms for Sunday School. I praise God for the strength he has given us to continue to serve him despite the obstacles and needs. Please pray for the following: may the Lord provide to build rooms for Sunday School (We have purchased 31 rebar for the foundations, but there are still 29 pegs left) may the Lord provide us a vehicle to bring guests to the Church. The one I have was damaged again and we are paying monthly in transportation. May the Lord send workers to His work. We would like to thank the Lord that He has provided to us through you to buy materials such as cement, sand, rebar to start the construction of the foundations for 2 classrooms for Sunday School. Glory to God, He is good and compassionate!
