This month, God has given us the privilege to preach to more than 40 people. Three people have been saved. Someone was baptized. This month we suffered a loss. A sister of our Church left to be with the Lord. We have given spiritual help to a family, who were not believers and are now attending Church. We are struggling to get building materials to finish more classes. We only have one Sunday School class ready. We continue sharing the gospel house to house and discipling people. I praise God for the harsh situation in the country. People who had rejected the gospel for years, are now asking me to show them the way. I'm almost preaching every day, to people who ask for it, and they need it! We ask for your prayers so that God will provide us with more materials for construction, and for God to fill us with power to preach His Word.
Requests: For the Lord to help me live in holiness, for my family and staff, to be a husband and father according to the heart of God, be faithful in visitation, be a wise shepherd and stay humble. Also for more people to be saved. For God to send workers to the Barinas State. For God to provide us with a pickup truck or a van for transportation. There are new believers who live far from the church and we have no way to bring them. Some learned to walk long distances but it gets complicated for children and the elderly. Thanks for thinking about us.
