Beloved brothers, I pray to our good God to be with all of you. I am very happy, since the Alvarado family and the other people who have visited us are constant in the church. Thank you for your prayers. They are going to start a study for new believers to later baptize them. Let's keep praying for that. I forgot to tell you in the last report, that my wife and I celebrated 35 years of marriage on January 15th. I thank God for that and I ask for your prayers for us. I also want to share that this February I have had difficulties with my vehicle, because it has been in bad condition. We have only been able to attend two weekends to the mission and it is possible that I have to take it to the mechanics workshop. A repair needs to be made throughout the suspension and braking system. The problem is that the car is very old and here in our country there are no spare parts. God bless your ministry. In Christ Jesus, whom to serve is an honor.
