Greetings Pastor and Church! I would like to thank you for your great love for the Pastors in Haiti.

This love is shown by your sacrifice every month to help me. Thank you so much for this support. It helps my family and my ministry. May God open more doors for you. For this month we were able to do a lot of soul winning. Every morning a group of our members goes out and passed out tracts to a lot of people who are jogging. We give about 200 tracts and talk to about 50 people every morning. There are two new converts coming to church. Every Monday we have home service at our church member's home that are discouraged. Every Tuesday we have meeting with the church groups, every Wednesday we have prayer service at our church for all the church members. Thursday morning we pray for our couples. Fridays we have Bible Study for all the church. Saturday we have soul winning. July 14-15 we had 2 days soul winning on the wide field, we had a film showing and invited a lot of people in our area to hear the Word of God. It was very exciting. We pray that before the month of August ends, that we will have organize an 8-day program like that every evening, in preparation for people to hear the Word of God. We want to work in our area that they will hear God's Word.

Please pray for some young people that their parents haven't sent them to school yet. Please continue to pray as we build our house. Please pray for my wife and my twin daughter who are not feeling very well. We are praying for you, we love you a lot in the Name of our God that placed that love in our hearts. May God continue to bless our ministry here in Haiti. Your help has allowed me to visit more Christians when they are sick, when they are facing difficulties and I can be there with them. We have a lot of members that are sick. It gives us more time to go pray for them. May God heal them.

Thank you so much!
