

KEN SCHAAP

SENIOR PASTOR

Dear friends,

I hope that you will take the time to consider the ministry of Nate and Tara Beil and the role you and/or your church can play in helping them get to the mission field. I have been a part of 3 church launch project teams in the last 6 years and in each case Nate was also on the team. Each situation was different and required different skills from Nate and in each case, God used him to help the church where it needed it the most. Today all 3 churches are thriving in their community to the glory of God. Each of them are recipients of Nate's hard work and prayers.

It has also been my privilege to be Nate and Tara's pastor for the last 4 years and I have witnessed first hand their love for Jesus and their passion for His people and work. They have filled in and served in about every church position imaginable each time with a great spirit and a level of enthusiasm that is contagious to those around them.

I have witnessed personally the strength of their faith too. We have prayed together for huge needs, encouraged each other through days of waiting, and rejoiced together in seeing God do miraculous things! They are faithful in good times and tough times and remain committed to bringing glory to God in whatever way He'll allow. Our church certainly doesn't want to see them leave but understands that God has great things for them to do in many other places.

Our church is excited to be partners with CORE Missions as well as directly with the Beil's in spreading the Gospel to the uttermost parts of the earth and we hope you will consider becoming a partner in this endeavor as well.

In Christ,

Pastor Ken Schaap
