Greetings, to God be the glory great things He hath done! The Lord blessed the ministry here in the island of Bohol. Four weeks ago we were able to conduct our first service in our new church building. The building is really basically a roof and floor. There are no walls yet and electrical installation. When we sang our first song, the people in the neighborhood went out and watched us worship God! The rice field across from us (200 meters away) is a Muslim mosque. One of the blessings is, if you remember me preaching in a funeral service, one of the guys that got saved there is now coming to church and they live close where our new church building is. Also, this month, we saw 47 souls saved by the grace of God! Please continue to pray for us and for my family. Just recently, both me and my daughter got sick with high fever. Hers lasted for almost 2 weeks and mine for 5-6 days. It was difficult time since we have a lot of work to do in the ministry. But by God's mercy we're now doing fine. Please do pray for me for wisdom and guidance. I am going to take an opportunity of God's open door in the other side of our island. Right now, I can't go on with the details, but as soon as I can I will let you all know. This has something to do with the ministry and souls! Please pray for the following ministry needs: 1. Gospel Tracts and Bibles 2. Projector 3. Tricycle 4. Completion of CR (comfort room) 5. Provision for church wall (ply wood) Thank you all for your sacrifices and love to us and the people of Bohol.
