3. How many people trusted Christ through your ministry? 65

Letter to sponsor. Please include any personal or ministry praises, any special prayer requests, as well as any advances in your ministry.

Dear Sponsor, First of all we would like to thank you for reading our update. We would also like to thank God for those of you who play a huge part in the ministry here in the Island of Bohol. You're playing a big role in our ministry. You're taking a huge amount of load from our shoulders so that we can focus on ministering and winning people to Jesus Christ. The last month was a blessing both to my family and to the ministry. I thank God for allowing us to see again many precious souls trusting Christ as their Saviour. This is the main reason why were doing what we are doing; bring people to Christ! The ministry work in Ubay, Bohol is slowly but surely growing by God's grace. We have seen people coming to God and are now attending church services every Sunday. These are results of soul winning. This month, we were able to open a new area, where we reach children and teenagers to the Lord. We have now a total of 4 areas, where the total average of attendees on Saturdays are about 120 kids and teens. Most of these kids are poor and really destitute. Nobody teaches them the Bible, but we are now! By the grace of God and through your help, God has enabled me to teach our young people to take over these areas. Each area has its own leader, who also drive motorcycles each Sunday morning to pick up people from areas and come to church. You might not know it, but the help you are giving us is being invested to many people's lives here. This month also, a quick visit of CORE Missions made a great impact to our personal and ministry lives. We went to that little island where I grew up and taught the village kids and adults about the Bible. I thank my brethren from CORE for coming to us and for being a great help and influenced. During this visit to the little island, as always, kids quickly gather around as well us the adults. But this time, the gathering is way quicker than the previous gatherings. Bro. TJ flew a drone, and our people saw a drone for the first time in their lives. I have a lot of stories to tell, of where your investments go. It helps us reach and change people for Christ. Rest assured that you are in our prayers! Thank you for your kind heart and sacrifices. Sincerely, Rackson, Jane, Ebenezer and Psalm.
