Letter to sponsor. Please include any personal or ministry praises, any special prayer requests, as well as any advances in your ministry.

Dear Sponsor, I would like to again "thank you" for the continued prayers and financial support. This month was filled with both joy and sorrow. Many were saved and ministered to, but just last week I conducted a funeral and burial service of a baby girl that died two days after birth. The mother, who is a member of our church, is in need of prayers after what happened. The good thing was during the funeral three were saved. Someone let us use his old car for easy travel, but last week it broke down and had needed major repairs. The support you gave came in a right time. The car was sitting at the repair shop for about a week when I brought it there I didn't have a single pesos to my name. The mechanic is a Christian and had agreed to buy the parts and repair it but I had to come up with the money after a week. I was praying hard and was very nervous if I would be able to pay it. I can't, but God can. The support you sent came in a right time. I pray that God will bless you more financially as well as your business and health. God bless you and thank you for your sacrifice.

Sincerely,
Bro. Rackson Suico
