Blessings! So many blessings from the Lord! He is great and faithful! The first thing I would like to thank Him for is the 39 souls who got saved! Winning souls is a struggle, patience and a character tester, but if you work it out, it will work! God is Good! Second, the Youth Fellowship was a success! God has blessed it with 54 young people attending and 7 saved that day! Praise the Lord! I saw both the young people and the adults from our church working together to make this happen! The adults prepared the food, while the young people prepared for the event! My wife and I prepared for the games. God has blessed the preaching as he used American Missionary Joe DeCurtis to preach the Word and challenge the young people to live a godly life! We had great fellowship and games that day! We were stirred up spiritually! Some of the young people that got saved that day went back and joined our services the following Sunday! I want you all to know that your investment in Ubay, Bohol is worth it! Lastly, I want to thank the Lord for sending us a Bible student who is on his internship and is now helping us! His name is Bro. Pedro. He has a tremendous heart for souls. He will be here until March. Please include him in your prayers that God will use us for His glory. As I'm writing this, we are set to preach in a public high school the next morning. Please pray that the gospel will be preached in every (barrio) county here! Please also pray for some of our church people! Two families have lost their loved ones consecutively last week! It's hard for them. Thank you for praying and partnering with us. One day, in heaven, some Boholanos will come and thank you for investing in their lives! God Bless You all! Sincerely, Bro. Rackson Suico
