Greetings in Christ! To God be the glory for the great things He hath done! This month was again a big blessing! While working in the church's toilet, my right foot slipped and my heel was cut by a metal roofing. I was brought to the emergency room and got my wound stitched. But the blessing was that my tendon wasn't cut, or it will be a long road for healing! God also has blessed us with the medical bill for that accident. I'm still not fully recovered from the wound. I'm still limping when walking. I humbly ask your prayer also for my family. While typing this letter, my 2 kids are sick with cough and colds.

Salvations: We have seen at least 27 recorded salvations. We also experienced this month during our service that we ran out of chairs. It was a blessing and a great feeling that God blessed our hard work. Thank you for the continued prayers and support!

Youth Rally: Please pray for the good result of our Youth Fellowship this October 30. Were inviting many unsaved young people. So, we hope that their heart will be open for the gospel. Please also pray that we will have a good weather! Thank You for the sacrifice. Sincerely, Bro, Rackson Suico
