Dear CORE Missions, GHBC, and Walker Family, Greetings from Pampanga, Philippines. Our 3rd Missions Conference was successful by the grace of God and also because of your prayers. Our theme was "He came to seek and save the lost." Luke 19:10. We had a total of 6 pastors who attended the conference. We will be having our new faith promise commitments on Sunday, September 10. We're praying to support additional pastors this year. The Pampanga Province is under calamity due to bird flu from chicken. That's why we are not eating poultry products for a month. And now, another virus was spreading in our place. Many people are dying because of the Japanese Encephalitis. We are alarmed with this new virus and yet the available vaccines for children are so expensive. \$80-100 dollars per person. Please pray for our daughter Joanna. She is 4 years old. She has had a high fever since Wednesday. She has undergone blood tests in platelet counts. Her platelet counts are getting lower. By tomorrow, Sept.9, we will bring her to the provincial hospital for more blood tests. Some children of church members are admitted in the hospital because of Dengue fever, it also can cause death. Please continue to pray for us, for our safety and the province of Pampanga, Philippines. Thank you so much for considering us in your prayers and for supporting us financially.
