Greetings to all of you in name of Jesus. I would like to share with you about trials that we are going through right now in our ministry. The local orthodox pope decided to fight against the work of God we are doing in a new village where we just moved. The pope gathered people from our village and told them not to let the kids visit our Bible classes that we have started few months ago. As result of his action, last few meetings nobody came, even those kids which became our good friends, they didn't come because of fear of the pope. So, we keep doing what God has called us to do, to preach the Gospel. I want you to pray for us and know that its like Jesus said; Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.

So, first few days, it was difficult for our kids, after we moved to the villlage because everything was new, but we realize that we are here because God wants us to do more for him locally. So, please keep in prayer for work that we are doing here and pray for, Michailina she is on the verge of asking Christ to be her Savior. May God bless you, richly in Jesus, Andrew Varfolomey
