Dear partners in the ministry,  
Last month was difficult for us because my wife had surgery, but now after surgery she is recovering slowly. During the month of February we had one more special meeting for all the kids in the village where I work. We had 28 kids this time from new families.  
Praise God we have a place where we can do different activities in Pastor Paul's new building. One of the great thing was that Revival Baptist Church prepared lot of food to feed those kids as most of them are from very poor families. Kids were really so glad to be with us. I remember that one lady came this time and as she told us later she was really impressed because of the sincere relationship which she could see among us. So, I would like to ask you to pray for children ministry in that village as its key to reach older generation. Here is a little bit about my family. We are going to move from our area to that village where I am doing my ministry now. As I mentioned already, Pastor Paul Dudka could raise money to get a building in the mountains where we are moving to live there full time. We are so excited to see what God is doing and how great He is. Our kids are healthy, praise God. May God bless you, richly in Jesus, Andrew Varfolomey
