Greetings in name of Jesus Christ dear ministry partners. I have a big privilege to share with you what God did through my ministry. God has given me a wonderful meeting with one great family, a girl Alona and her grandmother. Alona is 15 years old and she is disabled person. She does not speak very clear, but has a very kind heart. Her grandmother told us that the parents of Alona don't love her and even don't care for her. Even a few days before Alona wanted kill herself because she felt so lonely. Very often she asks her grandmother why did God created her and gave her such terrible sufferings. Because she can read I have presented her bible for kids so she can learn more about Jesus. After our conversation I invited her to visit our summer camp and she told us that she never was invited to any places, she lives like forgotten person. Also I have remember one great meeting during our soul winning project, her name is Maria. She really was listening to us very carefully as we witness to her about Jesus Christ. She said finely I have found what I was looking for for many years. After meeting we asked if she wants to accept Jesus as own Savior and she said YES. So she was praying a prayer of repentance and she got saved at that time. Before will close my report, just little bit about my family. We are doing ok, and this month our younger boy had birthday, one year old. As we looked back and see very difficult pregnancy and delivery, so we are so grateful to God for wonderful boy. We are so grateful to you and your church for prayers and financial support. May God bless you richly. IN Jesus Andrew Varfolomey.
