Dear brothers, with the help of the Lord, we were able to visit sectors this month. We presented the gospel to 43 people and several received Christ as their Savior. Glory to God! Given the high inflation, the salary of the people does not cover monthly expenses for them. With the help you give us, we are feeding children and old people and many brothers who do not have anything. Thank you brothers for ministering faithfully to us each month. God bless you and multiply you. The prayers of many go for you in gratitude to God, that you are used in the most difficult times in Venezuela. Thank you. Thank God, every week we have a ladies and girls meeting on Saturdays with a theme of forming character, expository study of the decisions and consequences of bible women, plus free painting and weaving courses. We are helping with classes in the growth, affirmation and establishment of each believer (new and old) in the structure of the church in christian fellowship and service to God. I ask for your prayers for 1.short term: Discipleship-Teacher training-leaders / children's dining room 2. Cornelio Plan (evangelism in believers' house.) Acts 10.24-27 3. long term, for the extension of the gospel, establish biblical studies or missions in all the surrounding towns and start new churches -To reach the 300 thousand monthly rent of the place every 15th of a month Please pray we can purchase a house where we can live. Currently we stay in the store. We would like to purchase a laptop and video beam for the church as mine does not turn on. We would like to get our own land to build the church. We thank God for His significant support.
