Greetings, God continues to give us great blessings, thank the Lord. We are well in health and winning souls. We have been able to visit 50 people and 5 souls have converted to the Lord. We are visiting and discipling every person who has received Christ. It is beautiful to see them grow and to begin to be firm in the Lord. We continue praying for the land or house for the church, more believers arrive, Glory to God for that. We thank you for your prayers and your cooperation which are of great blessing because now the situation is more difficult. Please pray and cry for Venezuela. Starting at 7 pm we are already leaving work on transportation routes for prayer services on Wednesdays. The situation is not very good for extra activities of the church. For this reason I remind you of your prayers for the people here in Venezuela. I see several of the men of the Church taking more responsibility, and we are getting several people to learn to preach and they have already done it in the Church. That fills me with joy. I am very grateful for your collaborations, but we ask for your prayers.
