Dear Brothers, standing before the throne of God's grace our requests, little by little, we see the spiritual growth of the members and new believers. Thanks to God the evangelization takes place on Saturdays from 3- 6 pm and the sisters have a women's ministry that works simultaneously with soul winning. By the end of January the "Win Souls" course was completed and several were incorporated into the house-to-house visitation. With regard to the Sunday school of adults, taking advantage of the theme, mission and biblical vision of the church, we started a series of classes related to love and friendship. We know the true meaning of the word love and the true friend that never fails. We just had a vigil, praying to our God for the believers and for the land for the future church with an attendance of 22 believers. Although God has blessed us by renting a place for us, where we can have our services, we would like to have our own place to have different Sunday schools for different ages. Today we have the class of children under a tree, and we thank God for that tree but we are praying for our land. There is one that offers it for \$5,000. So far we have saved \$1,000 and we are missing \$4,000. Help us pray for our land. We were praying for a man, Silvio Peña, who has been very reluctant to the Gospel message, but this past Sunday he went forward during the invitation and received Christ as his Savior. The Church is full of joy.
