Dear Brothers and Friends, We need your prayers. We are going to have services in the house of many brothers, because many can not faithfully come to the services of the church. They have to stand in very long lines for many hours to get some food for their families. Even on Wednesdays and Sundays they have to be in the lines. The public transport has decided to stop at 7 pm for robberies and dangers, for that reason also some can not come because they live far away. Those who have their own car can not use them. They are stopped because there are no spare parts to buy. In the midst of this crisis, we continue to go to homes to disciple new believers. Pray that our shoes will survive. All of us, if we can congregate, are praying a lot and I want them to join us, because I know that God is going to change our situation. We will get our own place and we will have spare parts for our cars and food and medicine for us. Thank you for holding us in such a difficult situation, God reward you.
