3. How many people trusted Christ through your ministry? 16

Letter to sponsor. Please include any personal or ministry praises, any special prayer requests, as well as any advances in your ministry.

God bless my beloved brothers,

On October 29, we had our anniversary as a local church. We had 14 visitors. Thanks to God the 14 made a decision for Christ to which we have been visiting every Saturday to invite them to the church and if they do not go on Sunday after the service we return to visit them after half a day. Others are already discipling. This month we have devoted ourselves to those new ones. During the week we had evangelism (without any decisions) and visited new believers from the anniversary. We have done discipleship of the members of the church, women's ministry (biblical teaching and manual work to sell and collect funds to help buy the land we want for the Church) and Sunday service. In the other weeks we had evangelism (2 decisions, one of them was located in the church of Carora with Pastor Guedez.) In the week of November 18 and 19 we participated in the missionary conference of the Baptist Church, "Holy Bible", which was a great blessing for our People. On Wednesday, November 15, I was summoned to a meeting of members of the cooperative of a car line by post in Duaca. Since I entered a rental office from its headquarters to have the services there, such assembly It was very productive. They accepted the remaining estimate, a price that is accessible and does not harm the cooperative. We are still waiting for an answer. We have until December 15th of this year to leave the hall of the house of the brothers we keep trying to get. God bless you.
