Dear Ministry Partner,

As I look back at the end of 2023, I don't remember ending a year with so many things happening. Through October, November, and December alone we were privileged to travel to Canada, Mexico, and Honduras. We also had meetings in Ohio, Florida, and Michigan.

It was great to end the year at home with family, and rest a bit before hitting 2024 even harder. Tomorrow I head out to Michigan, with a quick turnaround as we travel to Cuba on Monday through Friday. Saturday we will be in Alabama, followed by Honduras the following Tuesday for 10 days. February and March will take us to Virginia, West Virginia, Texas, and Arkansas.

Below is a snapshot of how CORE Missions ended 2023, with a glimpse into what 2024 has in store.

## 2023 In review:

-CORE was able to travel on 16 international trips. These trips consisted of survey, construction, discovery, training, and outreach trips.

-\$267,884 in support was sent to 138 pastors in 19 different countries.

-We welcomed the Pattison family as missionaries to the Philippines. You can learn more about their family by visiting their website: [www.coremissions.org/pattison-family](http://www.coremissions.org/pattison-family).

-Partnerships were started with 22 pastors in the Ivory Coast. We rejoice that 12 of these pastors are already fully supported and 3 are partially supported. Please pray with us that we can raise the support needed for the remaining 7 pastors. To explore the ministries in the Ivory Coast, please visit: [www.coremissions.org/ivory-coast](http://www.coremissions.org/ivory-coast).

## 2024, A Look Forward:

-Currently representing 173 pastors, with 30 pastors needing support: [www.coremissions.org/national-pastors](http://www.coremissions.org/national-pastors).

-The Beil family just moved to Honduras on January 11! We are so excited to see how God will use them there as they work with CORE pastors throughout Latin America: [www.thebeilfamily.org](http://www.thebeilfamily.org).

-We are excited to be traveling to Cuba once again. Please pray for our trip January 15-19 as we work to re-establish partnerships with pastors.

-CORE is welcoming two new families to the team in the first quarter. Stay tuned for more updates in future emails and social media posts.
