-Trips are already scheduled for Canada, Jamaica, Cuba, Egypt, India, Ivory Coast, Mexico and Honduras. Consider joining us for one of these amazing trips! For more information, please visit: www.coremissions.org/mission-trips.

Basecamp; Puerto Lempira, Honduras:

Introduced in late 2022, Basecamp is our 72 acre property located on the eastern shore of Honduras. We are excited to have completed some much needed updates and connected with several villages and pastors that need assistance. We are being told that there are over 80 villages within two hours of our property. We have already started traveling to some of these villages, meeting with pastors, and holding outreach services. The picture to the right is from a recent Sunday service in the Mistruk village.

On January 23, we will welcome a group from Ohio and Tennessee as they will be building a tabernacle. This building will be used for pastoral training, outreach services, and a place to host large gatherings as we work to reach the surrounding villages.

Take a look at some exciting updates and videos by visiting www.coremissions.org/basecamp.

In conclusion, one of my goals in 2024 is to update supporters more frequently. We currently send out Monthly Accountability Report and Raboto Feeding Center emails, but these emails only go to those that are registered for those updates. In addition to this, we often post many exciting update videos to the CORE Missions Facebook page. Personal updates have been infrequent, and I appreciate your patience as I work to better communicate. Since we have a wide audience of people from around the world receiving my emails, please feel free to disregard emails that do not interest to you.

Thank you again for partnering with CORE Missions. Your prayers and support are literally making an impact around the world.

C.O.R.E. MISSIONS CENTERED ON REMOTE EVANGELISM

CORE Missions is a Baptist missions organization. Our primary focus is partnering with foreign missionaries to train, equip, and support national pastors in reaching remote villages with the Gospel of Jesus Christ.
