GOSPEL LIGHT BAPTIST CHURCH

Sunday, December 16, 2018

To whom it may concern,

My name is Pastor Jon Horton, and I have pastored the Gospel Light Baptist Church, and independent Baptist church, for the past 18 years. I have been on the board of CORE MISSIONS since its inception in 2014. CORE is an amazing ministry that is supporting national pastors in their country to pastor at minimal cost and as a result many churches are being started over the world. The thing that has most impressed me about CORE MISSIONS is the accountability they have set up for their national pastors.

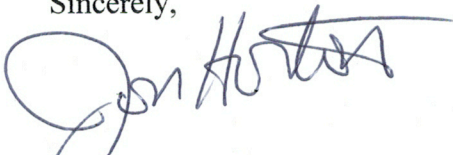

I am not only a part of the board, but our church is a financial supporter of CORE MISSIONS, TJ Kimmel, and two national pastors on the field. We are able as a church to fully support two missionaries for their entire monthly need. What an amazing opportunity this has been for our ministry.

CORE is an independent Baptist organization believing in the fundamental Baptist doctrines of our faith. They support pastors who believe like us, and are consistently trying to get out teaching materials to continue to train these men in that belief.

I want to invite and encourage you to be a part of this exciting ministry. There are many ways to participate by financially supporting CORE MISSIONS, by choosing a national pastor from their website and meeting their monthly need, by traveling with the CORE MISSIONS team on a trip, and most importantly by your prayers for this influential ministry.

Thank you so much for your consideration of CORE MISSIONS. Feel free to contact me with any questions you might have at (501) 337-4548.

Sincerely,

Jon Horton
Pastor
