

John Anderson, *Pastor*

Dear Friend,

It is with joy that I recommend the ministry of C.O.R.E. to you and to your church family! I am thankful to serve as TJ and Christa Kimmel's pastor and to encourage you to consider partnering with them as they endeavor to partner with local leaders globally for the furtherance of the gospel.

I believe that God has given this family and ministry a needful vision that will impact many for God's glory and His purposes. I happily endorse them and encourage you to prayerfully consider a strong partnership with them in the near future.
